[Add Other Teachers to Your Planner](#) | [Add Curriculum from Another Teacher's Class](#)

You are viewing a previous version of this article. See [Other Curriculum](#) for the most current information.

This tool is available as part of the [Campus Learning](#) premium offering.

Location: Planner > Other Curriculum

Use the **Other Curriculum** option at the top of the Planner to view the curriculum schedule of other teachers in your district. This option allows you to compare the pacing of your instruction with other teachers, or monitor the progress of teachers you oversee.

Access to advanced curriculum tools is governed by the *Enhanced Curriculum tool* right.

The screenshot shows the Infinite Campus Planner interface. At the top, there's a navigation bar with tabs for 'My Curriculum', 'Other Curriculum' (which is currently selected), 'My Schedule', and 'Other Schedules'. Below the navigation bar is a 'Settings' button. The main area is titled 'Curriculum Planner Comparison (22-23)' and shows a grid for the week of February 27 - March 3, 2023. The grid has columns for Mon 2/27, Tue 2/28, Wed 3/1, Thu 3/2 (which is highlighted in black), and Fri 3/3. Each day has several rows representing different classes or sections. For example, on Thursday, there are rows for '3200-10 English 10' and '3200-4 English 10 | Lifelearn, Pete | Harrison High'. The right side of the interface features a sidebar with two main sections: 'Curriculum' and 'Other Curriculum'. The 'Curriculum' section lists various courses with checkboxes: AP Composition (unchecked), AP Literature (unchecked), Creative Writing (unchecked), English 10 (checked), and 3200-10 (checked). The 'Other Curriculum' section has checkboxes for 'Folders' (checked) and 'Assignments' (checked). Under 'Assignments', there are checkboxes for 'English 10' (checked), '3200-4 (Lifelearn, Pete)' (checked), and '3200-5 (Lifelearn, Will)' (checked). At the bottom of the sidebar is a 'Search' input field.

View other teachers' curriculum in line with your own.

See the [My Curriculum](#) article for more information about the options available for your sections at the top of the Planner.

Access to Other Curriculum requires [tool rights](#) to the [Planner](#) and the [Other Curriculum](#) sub-right.

Add Other Teachers to Your Planner

Add teachers to the **Other Curriculum** list by clicking **Search** and finding teachers to include.

Teacher Name	School	Department	Section
Lifellearn, Gabe	Harrison High	Mathematics	1100-1 Integrated Math I A
+ Lifellearn, Gabe	Harrison High	Mathematics	1100-7 Integrated Math I A
+ Lifellearn, Gabe	Harrison High	Mathematics	1150-1 Integrated Math IB
+ Lifellearn, Gabe	Harrison High	Mathematics	1150-5 Integrated Math I B

Teacher Name	School	Department	Section
<input checked="" type="checkbox"/> Lifellearn, Gabe	Harrison High	Mathematics	1100-1 Integrated Math I A

Searching for Other Curriculum to View

Search for teachers by Name, filtered by School or Course, or any combination of the three. Click the **plus** next to a teacher's name to add them to your list. Once all the teachers you'd like to add are in the **Selected** list, click **Save** to add them to your **Other Curriculum** list to the right of the planner.

If a teacher has classes in more than one school, you have the option of indicating which of their schedules you want to view.

To remove a teacher from your list, click the X after their name.

The performance of the Planner may be affected by the number of teachers and curriculum items shown at one time. Campus recommends adding teachers to your list and then toggling

a few on at a time to compare curriculum.

Add Curriculum from Another Teacher's Class

With other teachers added to your Planner, you can easily add curriculum from other sections to your class.

1. Click on the assignment, resource, or folder to view a read-only version.
2. Click the **Add to Section** button.
3. Add sections in the **Section Selector** side panel that displays and edit dates and grading as needed. See the [Other Sections/Schedules](#) section of the Assignments article for more information.
4. Click **Save** when finished.
