Last Modified on 09/23/2025 2:57 pm CDT

Since generating a report doesn't add or change existing data, only Read rights are required. Write/Add/Delete rights, if granted, have no impact. This article contains screenshots of what the Student Information Reports look like, with summaries of what each report is used for.

To learn more about these reports and how to run them, consult the individual articles in [Instruction Reports](#).
