My Curriculum is part of the [Campus Learning](#) premium offering and requires the *Enhanced Curriculum Editor* tool right.

Tool Search: My Curriculum

The My Curriculum tool allows teachers to create curriculum outside of the context of a section.

When you open My Curriculum, the highest level of your curriculum structure is shown. Depending on how you organize your curriculum, that may be a list of folders or of assignments and resources, or a mix of all three.

The screenshot shows the 'My Curriculum' interface. At the top, there's a breadcrumb trail: 'Instruction > Curriculum Planning > My Curriculum'. Below this, there are buttons for '+ Add', 'Edit', 'Copy', and 'Import'. A search bar is labeled 'Search Curriculum'. Below the search bar, there's a 'Sort By:' dropdown menu set to 'Title - Ascending'. A table lists curriculum items with columns for 'All', 'Assignments', 'Discussions', 'Quizzes', and 'Submissions'. The items listed are 'Persepolis', 'Roll of Thunder, Hear My Cry', 'The Great Gatsby', and 'To Kill a Mockingbird'. Each item has a duration, a last updated timestamp, and an 'Add to Section' button.

All	Assignments	Discussions	Quizzes	Submissions
	Persepolis	Duration: 10 days	Last Updated: 09/18/2025 2:23 PM	<button>Add to Section</button>
	Roll of Thunder, Hear My Cry		Last Updated: 09/18/2025 2:02 PM	<button>Add to Section</button>
	The Great Gatsby		Last Updated: 09/18/2025 2:50 PM	<button>Add to Section</button>
	To Kill a Mockingbird	Duration: 20 days	Last Updated: 09/18/2025 2:22 PM	<button>Add to Section</button>

The My Curriculum tool is a workspace for managing curriculum outside of the context of a section.

The **Enhanced Curriculum** tool right in Additional Access Rights > Instruction Tools grants access to advanced assignment options. See the [Instruction Tool Rights](#) article for more information.
