Tool Search: OR Student Programs

The Student Programs Extract Collection includes reports for students who participate in programs designed to learn English, support the homeless, stay on track, and assist recent arrivals.

Report Editor

Data Element	Description	Displays For		
Report Type				
Report Type	Determines which Report Type generates. Available options are: • English Learner Extract ② • ESEA Title X Homeless • Ninth Grade On-Track • Recent Arriver	All		
Setup				

Data Element	Description	Displays For	
Search Calendars	Search field to narrow the list of calendars to select. Use the Expand All/Collapse All. Place a checkbox next to the desired school and calendars.	ESEA Title X Homeless	
Show Active Year Only	When set to ON, only those calendars for the current school year are available for selection. When set to OFF, all calendars from all school years are available for selection.	ESEA Title X Homeless	
Report Options			
Start Date	Entered date reflects the start of the reporting range in which data reports. This field defaults to July 01 of the school start year.	ESEA Title X Homeless	
End Date	Entered date reflects the end of the reporting range in which data reports. This field defaults to June 30 of the school end year.	ESEA Title X Homeless	
Ad hoc Filter	Select which students to include in the extract by choosing a filter that was created in the Filter Designer. Only those students included in the filter are included in the report.	ESEA Title X Homeless Ninth Grade On Track	
Apply All Excludes	 When marked, students who are marked as one of the following are included in the report: No Show or State Exclude on the Enrollment record Grade Level of enrollment is marked as State Exclude Calendar of enrollment is marked as State Exclude When NOT marked, any student marked as Exclude or No Show are NOT included in the report. 	English Learner Extract Recent Arriver	
Output Options			

Data Element	Description	Displays For
Report Processing	To generate the report immediately, select Generate Now option. To choose when the report generates, use the Submit to Batch option. Submit to Batch is useful when generating the report for several calendars or for larger amounts of data being reported. See the <u>Batch Queue</u> article for more information.	All
Format Type	Determines in which format the report generates - CSV, HTML, or XML.	All

Generate the Report

- 1. Select the desired **Report Type**.
- 2. Enter the appropriate **Start Dates** and End Dates, if applicable.
- 3. Mark the **Apply All Excludes** checkbox, if applicable.
- 4. Select the desired **Report Processing** option of **Generate Now** or **Submit to Batch** Queue.
- 5. Select the desired **Format Type**.
- 6. Click **Generate**. The report displays in the selected format.

See the Report Type descriptions for details on each Report Type for reporting logic and report layout information.
