

Snapshot Deletion Tool Tool Rights

Last Modified on 03/05/2026 10:09 am CST

The Snapshot Deletion Tool allows District Edition sites aligned with State Edition to request data submitted for state reports to be deleted and removed, without having to contact Campus Support.

See the following [Snapshot Deletion Tool](#) article for more information.

Snapshot Deletion Tool - District Edition

Snapshot Deletion Tool - State Edition

Limit the number of users in both District Edition and State Edition who have access to this tool.

Suggested User Groups

Typically, users of these tools have already been assigned one or more Product Security Roles that grant administrative-level access; therefore, a user group assignment is not necessary.

If your district's needs are different, you may choose to create a group that meets those needs.

See [User Groups and Suggested Roles](#) for more information.
