

Advisory - Start Here

Last Modified on 12/04/2025 1:51 pm CST

The Advisory tool is designed to help teachers target areas of improvement for the students they mentor.

Tutorials

- Overview video of using Advisory: [Video](#)

Reference

- An administrator can [enable Advisory](#) via tool rights or section settings

Explanation

- Understand the [Section View](#) with Grade and Assignment totals
- View data available in the [Student Profile](#)
