

# Advisory

Last Modified on 10/30/2025 3:49 pm CDT

The Advisory tool is designed to help teachers target areas of improvement for the students they mentor.

## Tutorials

- Overview video of using Advisory: [Video](#)

## Reference

- An administrator can [enable Advisory](#) via tool rights or section settings

## Explanation

- Understand the [Section View](#) with Grade and Assignment totals
- View data available in the [Student Profile](#)
