Path: Student Information > Program Participation > Migrant Enrollment

The **Migrant Enrollment** tool provides a way for districts to record and report information about **individual** students' enrollment in a **Migrant Program**. This is not the same as a student's regular Enrollment data.

This article explains how to enter Migrant Enrollment information for an **individual** student.

See the Migrant Eligibility article to learn how to enter migrant eligibility information for an individual student. See the Program Services: Migrant Services article to learn how to enter migrant services information for an individual student.,

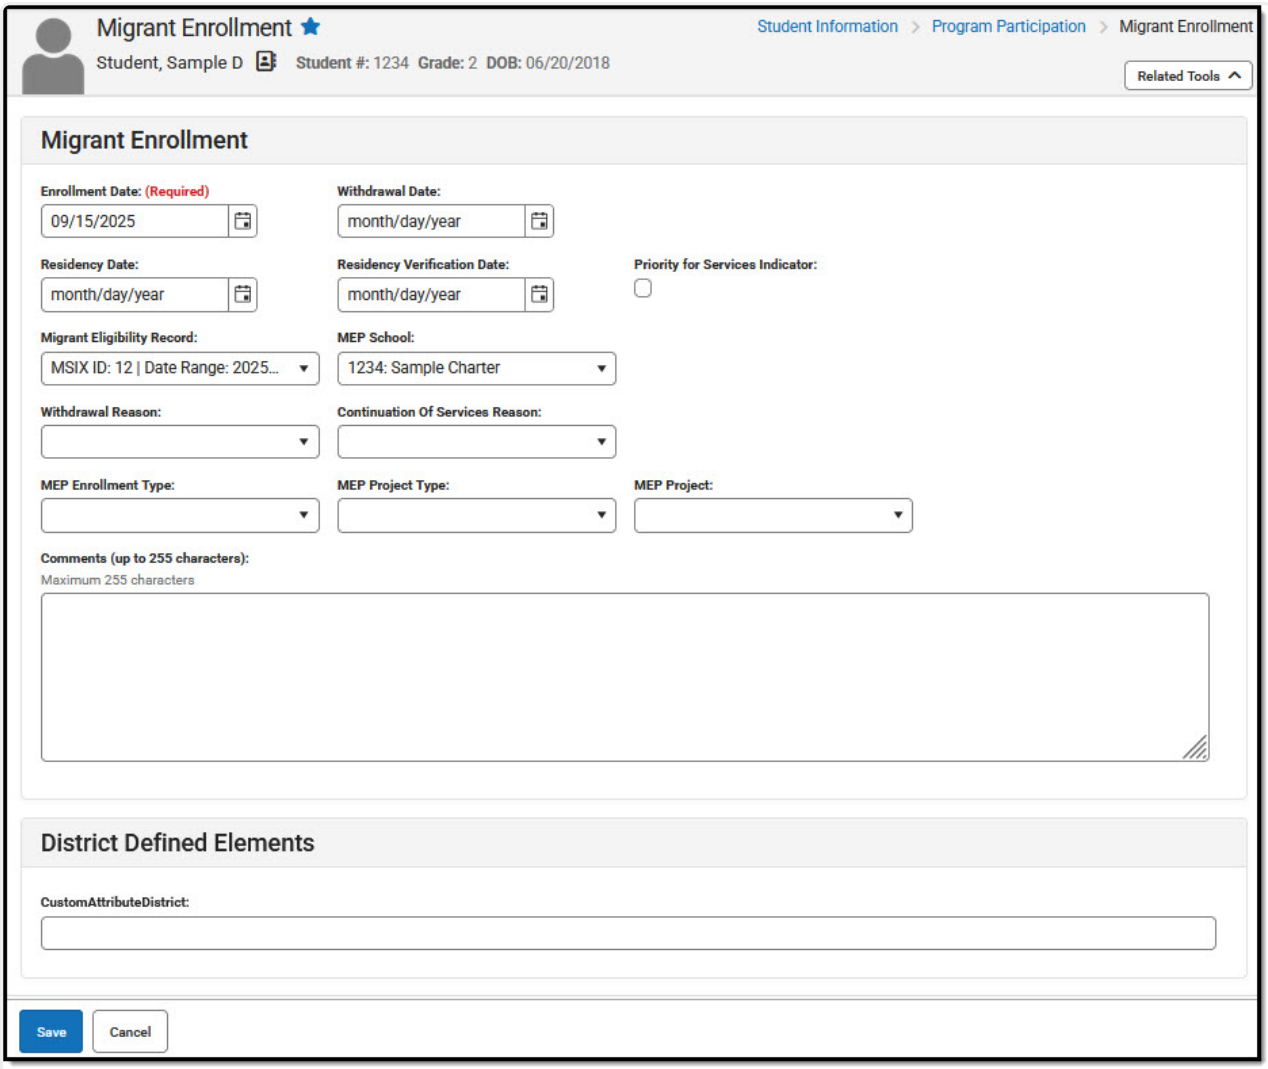

Migrant enrollment information can be captured for individual students.

See the Program Participation Tools Tool Rights article to learn about the rights needed to use this and related tools.

Enter Migrant Enrollment records

It is recommended that Migrant Enrollment records be entered **after** Migrant Eligibility records have been entered for a student.

Migrant enrollment information can be captured for individual students.

1. Click **New** to display the **Migrant Enrollment** editor.
2. Enter the student's **Enrollment Date**. This field is required.
3. If necessary, enter **Residency** information.
4. The **Priority for Services Indicator** is marked when the State has determined the student is to be given priority to receive services for the enrollment period.
5. You will be able to select a **Migrant Eligibility Record** for students who have one.
6. Select or enter remaining information as appropriate. The **Comments** section holds up to 255 characters.
7. **Save** when finished.

For North Carolina districts:

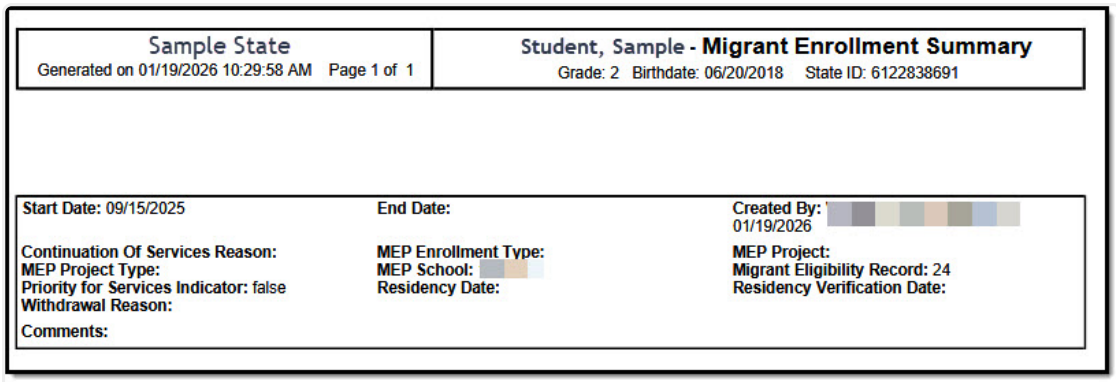

Overlapping records (multiple records that have the same Enrollment Date and Withdrawal Date) are not allowed.

Modify migrant enrollment record

1. To modify a Migrant Enrollment record, select it from the editor and enter the new information (end date, new comments, etc.).
2. Enter a **Withdrawal Date** if the student's migrant enrollment has ended.
3. **Delete** should only be used to completely remove a record that was entered in error.

Print Migrant Enrollment Summary Report

Click the **Print** icon to display a PDF of the student's Migrant Enrollment records.

MEP School: [redacted]
Residency Date:

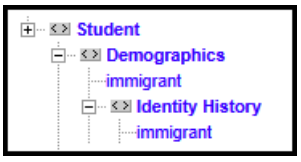

MEP Project:
Migrant Eligibility Record: 24
Residency Verification Date:

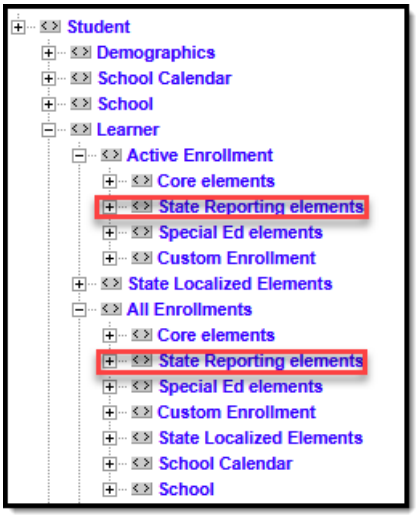

A summary report can be generated that contains a student's migrant enrollment information.

Migrant information in Ad hoc

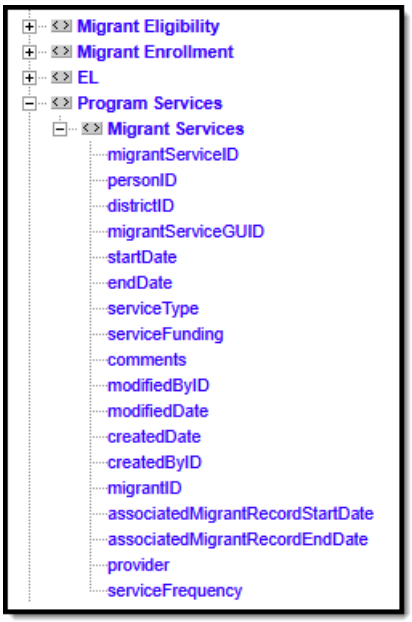

Follow your local guidelines regarding which tools your district/state uses to enter Migrant information.

Migrant information is available in the Query Wizard for **Student** Data Type filters.

Campus Location	Ad hoc Fields
Census > People > Demographics **Census > People > Identities** Follow your local guidelines regarding entry of Migrant information in Census tools**.**	

Campus Location	Ad hoc Fields
Student Information > General > Enrollments Information varies by state.	
Student Information > Program Participation > Migrant Data entered using the Migrant tool includes both current data for customers using the **Migrant** tool rather than the Migrant Tools Workflow **(Migrant Eligibility, Migrant Enrollment, and Program Services - Migrant Services** tools) and legacy data for customers who have moved to the Migrant Tools Workflow.	

Campus Location	Ad hoc Fields
Student Information > Program Participation > Migrant Eligibility The **Migrant Eligibility** tool is part of the Migrant Tools Workflow. This tool is typically used prior to entering Migrant Enrollment or Migrant Services information.	

Campus Location	Ad hoc Fields
Student Information > Program Participation > Migrant Enrollment Migrant Enrollment information is typically entered after Migrant Eligibility information has been recorded. This tool is part of the Migrant Tools Workflow.	
Student Information > Program Participation > Program Services > Migrant Services **Migrant Services** are entered using the Program Services (Migrant Services) tool. Districts may also use this tool to record information about other services, such as Homeless Services.	

Migrant enrollment editor fields

Field	Description	Ad hoc Fields

Field	Description	Ad hoc Fields
Enrollment Date (required) *date*	The verified calendar date of the child's first day of attendance in the MEP.	migrantEnrollment.startDate
Withdrawal Date *date*	The verified calendar date of the child's last day of attendance in the MEP.	migrantEnrollment.endDate
Residency Date *date*	The calendar date that the child entered the school district in which they currently reside.	migrantEnrollment.residencyDate
Residency Verification Date *date*	The calendar date on which a child's residency in the State has been confirmed.	migrantEnrollment.residencyVerificationDate
Migrant Eligibility Record *dropdown*	Migrant Eligibility records are considered to be program records and have a start and end date associated to each instance of a student's Migrant Eligibility program participation.	migrantEnrollment.migrantEligibilityID
MEP School *dropdown*	Identifies the School associated with the MEP.	migrantEnrollment.mepSchool
MEP Project Type *dropdown*	Indicates the type of MEP project based on the location where the MEP services are held.	migrantEnrollment.mepProjectType
MEP Project *dropdown*	Identifies the MEP Project associated with the program record.	migrantEnrollment.mepProject
Priority for Services Indicator *checkbox*	Checkbox used to indicate whether student should receive priority for services.	migrantEnrollment.priorityForServicesIndicator

Field	Description	Ad hoc Fields
Comments *text up to 255 characters*	Text box provided for entry of additional information for the selected MEP.	mirantEnrollment.comments
North Carolina Fields		
Termination Type *dropdown*	Reason for student's termination from MEP. *(replaces Withdrawal Reason core field for NC)*	migrantEnrollment.withdrawalReason
Termination Date *date*	Indicates the termination date of the program.	migrantEnrollment.terminationDate

Multilingual Learner Indicator *checkbox*	Indicates if the student is a multilingual learner.	migrantEnrollment.multiLanguage
Immunization Record Indicator *checkbox*	Indicates if the student has an immunization record.	migrantEnrollment.immunizationRecordIndicator

Field	Description	Ad hoc Fields
Certificate of Eligibility ID *textbox*	The associated certificate of eligibility for this Migrant Enrollment Program.	migrantEnrollment.certificateOfEligibilityID

Custom fields

Users can use the Custom Attribute/Dictionary to add District and State Defined fields for Migrant in State and District editions. Custom fields do not sync to the state edition from the district edition. Custom fields are available in Ad hoc reporting.

State edition information

District-entered information can be pushed up to State Edition. State Edition users cannot create Migrant Enrollment records to push down to District Edition schools.

The Federal/State Program Updater Tool can be used with this program.
