Tool Search: Title Funded Programs

The Title Funded Programs tool allows users to track data for Title Funded programs. The list of Title Funded Programs can be filtered by Start Date, End Date, or Program.

Currently, the Title Funded Programs tool only tracks data for Title III programs.

The screenshot shows the 'Title Funded Programs' tool interface. At the top, there's a header with a user profile icon, the title 'Title Funded Programs' with a star, and navigation links: 'Student Information > Program Participation > Title Funded Programs'. Below the header, there's a search bar with fields for 'Test, Student', 'Student #', 'Grade: 02', and 'DOB'. A 'Related Tools' dropdown is on the right. The main section has three filters: 'Filter by Start Date' (with a date picker), 'Filter by End Date' (with a date picker), and 'Filter by Title Funded Program' (with a dropdown menu). An 'Apply' button is to the right of the filters. Below the filters, there's a table with one row showing 'Title III' program details: 'Start Date: 08/15/2025', 'End Date: 11/10/2025', and 'Created By: Stillwater Public Schools 601016; 11/11/2025'. A 'View' button is next to the row. At the bottom, there are 'New' and 'Print' buttons.
