# At Risk (Michigan)

Last Modified on 12/14/2025 8:45 pm CST

Tool Search: At Risk

The At Risk tool helps schools track student participation in at-risk programs. This ensures timely support and compliance with **Michigan** state requirements.

> At Risk program participation data reports in MSDS extracts:
>
> - Early Childhood
> - General Collection
> - Student Record Maintenance

At Risk Program Editor

> Use the Federal/State Program Updater to import existing At Risk records for students or to update records for multiple students..

Create or Manage an At Risk Record

1. Click **New** in the action bar.
2. Enter the **Start Date** when the student began participation.
3. Add any **Comments** for this record.
4. Click **Save**.
5. When the student ends participation, enter an **End Date**.
6. Click **Print** to generate a PDF view of the record.

At-Risk Field Descriptions

Field	Description	Location
