

# Add Section Tool Rights

Last Modified on 11/13/2025 10:51 am CST

The **Add Section** tool enables users to create new sections for a course and enter the required fields to save them. It contains the same fields as the Section Information tool, but also allows data entry for basic section information.

See the [Add Section](#) article for details on adding sections.

**Add Section** ☆ Scheduling & Courses > Courses > Add Section

0011 Core English I Related Tools ^

Course: 0011 Core English I

---

**General Section Information** —
