Tool Search: 21st CCLC

The 21st Century Community Learning Centers (CCLC) support the creation of community learning centers that provide academic enrichment opportunities during non-school hours for children, particularly those attending high-poverty and low-performing schools. The program helps students meet state and local student standards in core academic subjects, such as reading and math.

The information provided below outlines the 21st CCLC data fields specific to the state of **North Dakota**. Refer to the core 21st CCLC article for information on tool rights, adding records, uploading documents, and transferring student records.

> North Dakota requires schools with a 21st CCLC program to use this tool. In addition, the schools should create calendars to track students' attendance in the program.
