Groups Administration - Start here

Last Modified on 07/28/2026 4:27 pm CDT

Groups are a communication tool for conducting one-way and two-way conversations between group members. Groups can be created for use by clubs, organizations, events, and interests.

Being a Group Administrator gives you broad oversight capabilities as well as many options available to Group Owners, including moderating groups, and resolving flags.

Getting started

- Groups Tool Overview Video
- Enable the Groups Tool

How-to guides

As a Group Administrator

- Filter the group list to focus on specific tasks
