

# Instruction Mode (Texas)

Last Modified on 01/14/2026 8:19 am CST

## Tool Search: Instruction Mode

The **Texas** Instruction Mode tool enables users to record the type of program participation (hybrid or virtual) for a student. Refer to the core [Instruction Mode](#) article for details on the necessary tool rights and guidance on adding and printing Instruction Mode records.

Data documented in this tool is reported in the [Student Education Organization Associations](#) Ed-Fi resource.
