

Homeless (North Dakota)

Last Modified on 03/10/2026 12:42 pm CDT

Tool Search: Homeless

The Homeless tool records basic information about homeless students. The list of homeless records is sorted by Start Date. The following outlines the data fields specific to the state of **North Dakota**. Refer to the core [Homeless](#) article for details on the necessary tool rights and guidance on adding/printing Homeless records.

Student Homeless Detail Editor

- North Dakota DPI expects all program records to be end-dated each year, with new program records started the following year.
- Homeless records cannot have overlapping dates.
- Use the [Federal/State Program Updater](#) tool to import Homeless records or update records for multiple students.

Create a Homeless Record

1. Select the **New** icon. The Homeless Detail editor displays.
2. Enter the **Start Date** for this student becoming homeless.
3. Select the appropriate option for the **Primary Nighttime Residence** option.
4. Select the appropriate option **Unaccompanied Youth** - either Yes or No.
5. Mark the **Homeless Served** checkbox when the student is being served by a Homeless program.
6. Mark the **Disaster Displacement** checkbox if the student was displaced due to disaster-affected housing.
7. Mark the **McKinney-Vento Funds** checkbox when the student is being served by a program funded under the McKinney-Vento Act.
8. Mark the **Family Requests No Services** checkbox if the family has indicated that they do

not want services.

9. Enter additional information in the **Comments** fields as appropriate.
