

Home School (North Dakota)

Last Modified on 01/12/2026 9:50 am CST

Tool Search: Home School

The Home School tool allows users to record and track students whose families have chosen a home education option. In North Dakota, home education is defined as a program of education supervised by a child's legal guardian. The legal guardian is responsible for selecting materials, determining an educational philosophy, and overseeing the method, manner, and delivery of instruction.

Home School Program Information Editor

Read - View Home School records.

Write - Edit existing Home School records.

Add - Add new Home School records.

Delete - Remove Home School records.

Refer to the [Tool Rights](#) article for more information on Tool Rights and their functionality.

Use the [Federal/State Program Updater](#) to import existing Home School student records or update records for multiple students.

Add/Modify a Home School Record

1. Click the **New** button. The Program Information editor displays.
2. Enter the applicable information for the student.
3. Click the **Save** icon when finished.
4. Click **Print** to display a PDF view of the student's Home School records.
5. Modify existing Home School records by clicking anywhere in the appropriate record row and making the necessary adjustments. **Save** when finished.
6. End a record by clicking anywhere in the appropriate record row and add an **End Date**. Click **Save** when finished.
