

Application Processing - Start Here

Last Modified on 01/26/2026 8:51 am CST

Online Registration applications submitted by a parent or guardian are reviewed, approved, and processed in [Online Registration Application Processing](#).

Tutorials

The following videos demonstrate how to process submitted applications with common scenarios.

Annual Updates

- [Family with no changes](#)
- [Batch Posting](#)
- [Family with a new address in the district](#)
- [Family with a new student](#)
- [Family with changes to emergency contacts](#)
- [Family with a parent separation](#)

New Registrations

- [New family with a new address](#) (new construction)
- [New family living with relatives](#) (shared address)
- [New family moving into an existing address](#)

How-To Guides

- [Search for an application](#)
- [Review an Application](#)
 - [Flag people as reviewed](#) on the application
 - [Disable posting](#) for a person on an application
 - [Review fields](#) flagged for review
 - [Flag students](#) as reviewed
 - [Flag households](#) as reviewed

Batch Post Applications

- [Check an Application](#) for Batch Qualification
- [Mark Batch Applications](#)
- [Post Batch Applications](#)

Manage Applications

- [Log in as guardian](#)
- [Submit on behalf of a guardian](#)
- [Update household members](#) on the application from Census
- [Find and mark applications](#) with linked data issues
- [Unsubmit an application](#)
