Tool Search: Title Funded Programs

The Title Funded Programs tool allows staff to enter information about students participating in Title I, Part A; Title I, Part D; Title III; or Title VI programs. This article details Title Funded Program fields specific to **North Dakota**. See the core Title Funded Programs article for additional information.

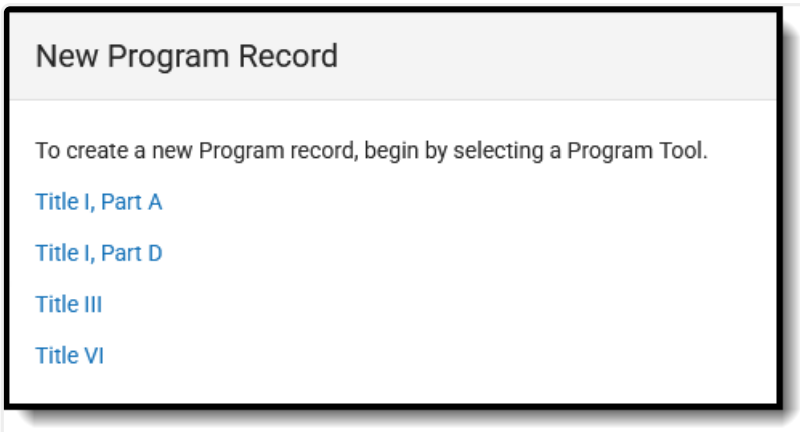

Districts should **not** enter Title I or Title III program information for students unless the state has published Title I/Title III information under District Information/School Information.

Title I, Part A

Currently, there are no North Dakota-specific fields for this program. Please refer to the core Title Funded Programs article for more information.

Title I, Part D

Title I, Part D programs aim to improve education for neglected, delinquent, or at-risk youth, helping them meet standards, transition from institutions to school/work, and prevent dropout through support systems for students in state/local facilities, dropouts, and returning youth.

Enter Title I Part D program participation details.
