Transcripts - Start here

Last Modified on 08/24/2026 8:48 am CDT

A transcript is a historical record of a student's performance in a course. The information listed on the transcript may vary from district to district, depending on each district's preferences.

Getting started

- Navigation and features
- Things to know

How-to guides

- Edit an existing record
- Add new rows
- Add a new detail record
- Delete a record

Tutorials

- Transcripts video

Explanation

- Column grouping
- Reports

Reference

- Home screen field descriptions
- Detail screen card descriptions
- High school credits for middle school students
- Ad hoc information
- Supporting documents
- State-specific information

Administrator setup
