SIF Unity Tools - Start here

Last Modified on 10/22/2026 7:38 am CDT

Tool Search: SIF Unity Configuration

SIF Unity Tools allow users to view and troubleshoot SIF information.

Getting started
• Set up a SIF Unity Configuration

How-to guides
• View SIF data in the Object Viewer • View the Sent Record History • Generate the Message History Report • Generate the State ID Update Report • Delete SIF records • Compare refIDs in Infinite Campus with those in the state using the Reconciliation tool.

Reference
• SIF Unity Core Objects

State-specific information

- Maine
- Oklahoma
- Virginia
