SIF Unity Error Log - Start here

Last Modified on 07/28/2026 4:05 pm CDT

Tool Search: SIF Unity Error Log

The SIF Unity Error Log displays errors for records that failed due to a Campus Error or a SIF error. Users can use this log to help identify potential errors in data setup or bugs in the SIF code.

How-to guides

Error Log Actions

- Filter entries
- Review details
- Archive entries
- Export entries to review
