

# Scheduling Center - Start Here

Last Modified on 01/21/2026 3:34 pm CST

The [Scheduling Center](#) provides a visual representation of a school's status in the Scheduling process for a given year. Administrators and Schedulers can see at a glance whether a school's calendar has been rolled forward for the next school year, if enrollments have been added, or if students have Academic Plans posted to Schedule Requests.
