Multi-Post Grades - Start here

Last Modified on 07/28/2026 4:04 pm CDT

The Multi-Post Grades tool allows teachers to post grades for multiple tasks or standards at the same time. Grades are sourced from the In-Progress grades area of the Grade Book. This tool can save time for teachers who have to post grades often (such as to a weekly Progress task) or who have to post grades to many tasks or standards.
