Native American Eligibility (Oklahoma)

Last Modified on 02/26/2026 11:48 am CST

Tool Search: Native American Eligibility

The Native American Eligibility tool allows Oklahoma districts to track and report Native American information for students.

> Native American Eligibility data is reported in SIF Unity per the StudentParticipation object.

Native American Eligibility Editor

Read - View Native American Eligibility records.
Write - Edit existing Native American Eligibility records.
Add - Add new Native American Eligibility records.
Delete - Remove Native American Eligibility records.

Refer to the Tool Rights article for more information on Tool Rights and their functionality.

Add a Native American Eligibility Record

1. Click the **New** button. The Native American Eligibility Detail editor displays.
2. Enter the applicable information for the student.
3. Click the **Save** icon when finished.
