## Open Enrollment Settings Fields

Field	Description
<b>Select Open Enrollment Configuration</b> <i>Required</i>	Use the drop-list to select the appropriate open enrollment configuration. Values are determined in the <a href="#">Configuration Set Up</a> tool.
<b>Allow Accept Restrictions</b> <i>Required</i>	Use the drop-list to select the desired restrictions: Allow Multiple Accepted Applications, Allow One Accepted Application, or Unlocked Only: Allow One Accepted Application. <ul style="list-style-type: none"> <li>• <b>Allow Multiple Accepted Applications:</b> Allows guardians to accept more than one enrollment offer within an application. <i>This is the default selection.</i></li> <li>• <b>Allow One Accepted Application:</b> Allows guardians to accept only one enrollment offer within an application.</li> <li>• <b>Unlocked Only: Allow One Accepted Application:</b> Allows guardians to accept more than one enrollment offer within an application IF the other accepted response is for an application that has not been processed/approved by the district.</li> </ul> Users may only select one option from the drop-list.
