Teacher Hall Pass View - Start here

Last Modified on 10/26/2026 2:44 pm CDT

Scanning tools are available with Campus Workflow Suite.

Teacher Hall Pass View is used to review and assign hall passes for students scheduled in your courses. If enabled, students can request and view passes in Campus Student. Administrators and office staff can view passes from both sources using the Hall Pass Lookup.

Tutorial
• Teacher Hall Pass View Video

How-to guides
• Using Teacher Hall Pass View as a substitute teacher • Set a passcode for approving hall pass requests on student devices. • Give a student a hall pass • Give a student not on the roster a hall pass. • Add time for a pass • End a pass.
