User Account Letter Designer - Start here

Last Modified on 07/28/2026 4:50 pm CDT

The User Account Letter Designer allows you to create custom letters using a WYSIWYG editor. Letter formats created within the Account Letter Designer can be used by the Account Letter Builder to print and send Campus Portal and user account information, including username, and Portal account activation URLs.

How-to guides

- Create a new letter format | Video
- Preferred language setup

Explanation

- Understand Campus field options
- Best practices for designing user account letters
- Account letter examples and scenarios
