Add Course - Start here

Last Modified on 06/16/2026 9:16 am CDT

The Add Course tool allows users to create new courses and enter the required fields for saving them. It contains the same fields as the Course Information tool but also includes data entry for basic course information. When the school selected in the Context Switcher is linked to a Course Master, the Add Course Master tool displays.

Tutorial
• Add Course with Course Master - Video • Add Course with no Course Catalog - Video

How-to guides
• Add a course record • Reset the Add Course cards • Add Course from Course Master

Explanation
• Navigation of Add Course

Reference
• Add Course Tool Rights
