Enrollments - Start here

Last Modified on 08/25/2026 3:47 pm CDT

The Enrollments tool displays all instances of a student's enrollment in the district. New Enrollment History displays manually added records of past enrollments outside of the district.

Getting started

New Student Registration

- District Edition
- State Edition

How-to guides

- Add Enrollment Information
- End Enrollments
- Summer Enrollments
- No Show Enrollments
- Future Enrollments
- State Reporting Fields
- Enrollment History
- Document Upload
