

# Login Page Preferences - Start Here

Last Modified on 03/18/2026 1:28 pm CDT

The [Login Page Preferences](#) tool allows users to determine the text and options that display on login pages, including information specific to Campus Parent and Student Portals.

## How-To Guides

- [Enable a Help link on all Campus login screens](#)
- [Enable a New User link on Campus Parent and Campus Student login screens](#)
- [Provide parents with account activation keys](#)
