

Login Page Preferences - Start Here

Last Modified on 06/16/2026 9:23 am CDT

The [Login Page Preferences](#) tool allows users to determine the text and options that display on login pages, including information specific to Campus Parent and Student Portals.

How-To Guides

- [Enable a Help link on all Campus login screens](#)
- [Enable a New User link on Campus Parent and Campus Student login screens](#)
- [Provide parents with account activation keys](#)
