

Events - Start Here

Last Modified on 06/16/2026 9:43 am CDT

The Campus Mobile Payments app can be used on a mobile device to process transactions for purchases at district- or school-sponsored events. Before using Mobile Payments, events must be set up in the [Events](#) tool.

Getting Started

- [Mobile Payments Overview Video](#)

Tutorials

- [Events Video](#)

How-To Guides

- [View existing events](#)
- [Create or edit an event](#)
- [Define event layout](#) for items to be sold.
- [Delete an event](#)
- [Use Mobile Payments to take payments | Video](#)

Reference

- [Configure a device](#) for mobile payments.
