Planner - Start here

Last Modified on 07/28/2026 4:00 pm CDT

The Planner offers a variety of views for visualizing curriculum and schedules in a calendar view. Teachers can view their own curriculum and schedule in calendar format, and view the curriculum and schedules of other teachers.

Getting started

Tools in the Planner

- My Planner | Video
- Other Planners | Video
- My Schedule | Video
- Other Schedules

How-to guides

My Planner & My Schedule

- View a list of students in a section.
- Access a list of Curriculum tools for a section, including:
  - Curriculum List | Video
  - Curriculum Library
  - Categories | Video
  - New Folder | Video
  - New Curriculum | Video
  - Copy Curriculum | Video
- Use the To Do List to track tasks | Video
- Create an intervention delivery record via RTI | Video
- Print your schedule | Video
- Print your curriculum schedule

Other Planners & Other Curriculum

- Add other teachers to the Other Planners tool
- Add curriculum from another teacher's class
- Add other teachers' schedules to the Other Schedules too

Explanation
