Section Student Detail - Start here

Last Modified on 06/16/2026 10:06 am CDT

The Section Student Detail tool provides a location where districts can collect course-related state reporting data for individual students in a course section.

How-to guides

- Filter the display for previous, active, and future records

Add new records

- Add records for selected students
- Add Section Student Detail records from the Walk-In Scheduler

Edit records

- Edit existing Section Student Detail records
- Batch Fill existing Section Student Detail records

Reference

- Section Student Detail Information in Ad hoc Query Wizard
- State-Specific Information
