Program Services - Start here

Last Modified on 07/28/2026 4:25 pm CDT

The Program Services tool provides a way to enter and display records of program-related services a student has received. This tool is also part of the Migrant Tools Workflow.

Most customers use the standalone Homeless Services and Migrant tools and should refer to the articles for those tools rather than Program Services.

How-to guides

General Program Services

- Enter program services record
- Modify program services record

Homeless Services

- Enter homeless services record
- Modify homeless services record
- Print homeless services summary

Migrant Services

- Enter migrant services record
- Enter state defined elements
- Modify migrant services record
- Print migrant services record
