Dependent Care Dashboard - Start here

Last Modified on 07/28/2026 4:34 pm CDT

The Dependent Care Dashboard allows users to view current, past, and future sessions. Sessions define the time devoted to a specific childcare period. The Dashboard is also used to create new sessions, define the settings that apply to all sessions, edit, and copy sessions.

Tutorials

- Create Consistent Session Video
- Create Non-School Day Session Video
- Create a Flexible Session Video
- Process Registrations Video
