

# Lunch Setup - Start Here

Last Modified on 04/17/2026 9:08 am CDT

The Lunch Setup tool allows a school to list different lunch names that can be assigned to students for scheduling purposes when the school has multiple lunch periods. Lunches are assigned to the [Course Section](#).

## How-To Guides

- [Create lunches](#)
- [Add lunch minutes to Calendar Periods](#)
- [Set lunch assignment on Course Sections](#)
- [View lunches on student schedules](#)

## Reference

- [Tool Rights for Lunch Setup](#)

## Explanation
