

New Blended Learning Groups - Start Here

Last Modified on 04/17/2026 9:03 am CDT

Blended Learning allows districts to create and assign learning groups to students to manage classes and attendance in a setting adaptable to students who are physically in a building for learning, those attending classes virtually, or a combination of both. Creating [new blended learning groups](#) is one of the first things that need to be set up in order to use Blended Learning functionality.
