Teacher Attendance Scanner - Start here

Last Modified on 10/27/2026 8:23 am CDT

Scanning tools are available with Campus Workflow Suite.

Use the Teacher Attendance scanning tool to take classroom attendance. This tool is designed to have a teacher logged into Campus and actively monitoring students. To take attendance, teachers can:

- monitor students as they scan in ID cards,
- manually enter student ID numbers, or
- click the button with the student's name to mark them as Absent, Present, or Tardy.
