Grades (Student Information) - Start here

Last Modified on 07/28/2026 3:28 pm CDT

The Grades tool displays a student's academic performance by enrollment and course. It shows In-Progress grades, Posted grades, and calculated GPAs. Grade data is **read-only** and reflects information entered elsewhere in Campus.

Tutorials

- View student grades and GPAs

How-to guides

- View GPA information
- View grades
- Adjust the grade display
- View section grade details
- View grades as a student or parent
- Print grades page/report card

Explanation

- How grades are calculated and displayed
