

Demographics (Delaware)

Last Modified on 04/24/2026 11:29 am CDT

Tool Search: Demographics

The Demographics tool lists the individual's information within the Campus system. All people for whom data is tracked, including students, staff, parents/guardians, household members, etc., have a Demographics record that includes the following information:

- [Person Information](#)
- [Person Identifiers](#)
- [Personal Contact Information](#)

While most fields are standard, some vary by state. The information below outlines the Demographics fields that are specific to **Delaware**. Please see the core [Demographics](#) article for additional information, including core field descriptions and report options.
