Instruction Curriculum - Start here

Last Modified on 07/28/2026 3:59 pm CDT

The Curriculum List displays all curriculum for a section, across terms and alignments. From this tool, teachers can view and modify their curriculum hierarchy, create and edit curriculum, and copy or share it to the library.

Tutorials
• Curriculum List Overview Video

How-to guides
• Create assignments & resources | Video • Add a reflection to curriculum | Video • Filter the curriculum list • Edit curriculum details in the list • Copy Curriculum | Video • Share curriculum to the Library | Video

Explanation
• Available types of curriculum • Understand what the list looks like without Campus Learning.
