Room Setup - Start here

Last Modified on 06/16/2026 9:51 am CDT

Room Setup houses all rooms in the school building - classrooms, the gymnasium, the library, etc. Rooms are attached to Course Sections. Rooms appear in Scheduling tools such as the Scheduling Board, Staff and Course Planners, Walk-In Scheduling, and print on student schedules.

How-to guides

- Create new rooms
- Add an attribute for Room Types
- Assign preferred rooms to courses and sections

Reference

- Room Setup field descriptions
