

# Scheduling Board Overview - Video

Last Modified on 05/04/2026 3:34 pm CDT

This video provides an overview of the Scheduling Board and the tools found within it. See the [Scheduling Board](#) article for more complete explanation of the purpose of each setting and selection on the Scheduling Board.

Since this is an overview video, we won't cover every available selection or option in detail. Also, since new features are added from time to time, the newest options may not be displayed in this video.
