

# Detention Tracker - Start here

Last Modified on 05/06/2026 12:24 pm CDT

The Detention Tracker collects detention resolutions assigned on the student [Behavior tool](#) or the [Behavior Management tool](#) and allows users to manage detentions as they are served.

## Tutorials

- [Detention Tracker Video](#)

## How-To Guides

### Enter Detention for

- [A group of students](#)
- [An individual student](#)

## Explanation

- [Automatic save warning](#)

## Reference

- [Detention tracker field descriptions](#)

### Administrator Setup

- [Detention Tracker Tool Rights](#)
