Eligibility End Date Wizard - Start here

Last Modified on 07/28/2026 4:40 pm CDT

The Eligibility End Date Wizard allows districts to update Household Application expiration and Eligibility end dates en masse. This tool was designed to help correct future 30-day carryover discrepancies at the end of school years.

How-to guides
• Update Household Application expiration dates • Update Imported & Manually Entered Eligibility end dates • Create an Eligibility Ending Notification Letter

Reference
• Eligibility Carryover • Household Applications • Eligibility Import Wizard
