Digital Repository Preferences - Start here

Last Modified on 07/28/2026 4:38 pm CDT

Digital Repository Preferences allow you to control which tools have document upload functionality, modify the cache, and limit the file size allowed for uploads.

How-to guides
• Enable Campus Digital Repository • Enable Campus Digital Repository per module/tool • Set file upload preferences

Explanation
• Understand the cost calculation • View usage by location

Reference
• Supported file types
