

Rx Pack - Campus.2623

Last Modified on 07/17/2026 12:58 pm CDT

The following corrections are included in Rx Packs for June 2026. Rx Packs contain a small number of critical cases to fix urgent issues, with delivery in an immediate time frame (e.g., the fix cannot wait for the next four-week Release Pack).

It is recommended that customers apply all subsequent Release Packs immediately following Rx Packs. Doing so will benefit both customers and Infinite Campus when it comes to supporting the patch.

Rx Packs are cumulative; each Rx pack will automatically include all previous Rx packs within that release. These cases will also be included in the Campus.2627 pack unless otherwise noted. Rx Packs may occasionally skip a release number for Rx builds that were not made generally available.

Below is a list of all Rx Packs for Campus.2623 and the date of availability:

- Rx Pack Campus.2623.14 - Friday, July 17, 2026
- Rx Pack Campus.2623.13 - Friday, July 10, 2026

FRAM Letter to Household Template (SIS-200250)

The required Richard B Russell statement in the FRAM Letter to Household (Step 4, Footer) was missing for the 26-27 template. This has been fixed for generation of new letters.

Any district that generated their FRAM>Setup>FRAM Communication>Online Application Content>Letter to Household for 26-27 prior to taking the release Campus.2623.10 or Campus.2627.2, must confirm the required language below appears in Step 4 (Footer) of the Letter to Household. If missing, insert the required language found below in Step 4 before the first paragraph. After updating the required language and saving, it will update what appears on the portal Meal Benefits Application. You should not have to delete and regenerate the entire letter. The required language is:

"The Richard B. Russell National School Lunch Act requires the information on this application. You do not have to give the information, but if you do not, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the adult household member who signs the application. The last four digits of the social security number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch and breakfast programs. We MAY share your eligibility information with education, health, and

nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules."
