

Validation Groups - Start Here

Last Modified on 06/24/2026 10:33 am CDT

The [Validation Groups](#) tool allows users to build groups of rules to audit and report data in the Data Validation Report.

How-To Guides

- [Create](#) a new Validation Group | [Video](#)
 - [Publish](#) Validation Groups down to districts (State Edition only)
 - [Archive](#) Validation Groups
 - [Search](#) for Validation Groups
-
