

# Messenger Settings

Last Modified on 06/29/2026 10:24 am CDT

Use the [Messenger Settings](#) to configure the Portal URL, set up a schedule for deleting old messages and identify default delivery devices for new templates.

## Tutorials

- [Messenger Settings - Video](#)

## How-to guides

- [Configure the portal URL](#)
- [Configure default delivery devices for new templates](#)

## Explanation
